Board Members:

My name is Chuck Kenyon, Head Football Coach at Martin County High School in Stuart, FL. I wanted to pass along this information to you as it regards to Andrew Gugliemini's Crew that officiated the game last Friday November 16th 2012 at Charlotte High School in Punta Gorda, FL.

Mr. Gugliemini's crew did one of the most outstanding job's last Friday night that I have witnessed at a high school football game sense I have been coaching the last 13 years!

The entire crew was informative and did an OUTSTANDING job communicating throughout the course of the game.

As a coach we do not always have to agree with the calls on the field but the explanation after the call to me is the most important thing an officiating crew can bring to the table.

The guys were very helpful in passing along information and it made for a much better product on the field!

Andy Gugliemini
Mark Mero
Alan Garcia
Terrence Skinner
Reggie Showers
Richard Turner

These men did a GREAT job and I wanted someone to know that their efforts were very much appreciated.

Thank you for your time!
