2002 Officials Game Report

This report is to be submitted for all contests assigned by SICOA with the exception of FHSAA contests. In the event a game report must be submitted for an FHSAA contest, the report must be an official FHSAA game report that can be found in the back of the 2002 FHSAA officials manual. Please submit a copy of any FHSAA report to SICOA as well. Download this report to your hard drive, then open it back up and complete all sections. When completed, submit it as an attachment to e-mail and send to SICOACommish@aol.com. This report must be submitted within 24 hours of the completion of the game(s) in question. It must be preceded by a telephone call to the supervisor of officials within six hours of completion of the game(s) in question. In the case of player or coach ejection(s), the actual official that witnessed and ejected the player(s) or coach(s) must complete this form. Do NOT give opinions. State only the facts. List the rule violated and give factual statements including graphic language if it was used. Reports are submitted to the governing administration of the league and/or conference of the team(s) involved as well as the SICOA Board of Directors. Officials submitting reports may be asked to appear at a hearing to give a personal accounting of any incident.
